Player Unknowns Battle Ground Vivacity2019

Rules

- Emulator players are not allowed in this competition.
- Players are requested to send their in game name along with the payment screenshot to provided contacts for registration.
- Any hacking tools or bugged soft wares are strictly not allowed. If found the respective player will be disqualified.
- No teaming up is allowed during solo matches. Such players will get disqualified.
- Players are requested to inform any server problem before the match ends. No grievances will be entertained after match ends.
- If any kind of server error appears or network lag happens and due to which more than 10 players of different teams get disconnected then the match will be restarted.
- If a player (less than 10 in solo) gets disconnected from server then they will be shifted to next slot of matches accordingly.
